- Thanks to all involved in organising today - very slick!
- A useful conference. Very informative and the opportunity to network with colleagues. I was able to extend my knowledge of enterprise.
- Excellent
- Some very good speakers and presentations.
 - Scottish Engineering - excellent.
 - Peebles High School workshop excellent.
- The workshops I attended gave me invaluable insight and a solid knowledge base to which I can use and build on.

- Good quality contributions (especially pupils).
- Dr Peter Hughes' presentation was excellent. Speakers very enjoyable as were presentations.
- Really enjoyable. Enjoyed Magic Tricks and especially Dr Peter Hughes' presentation.
- I have learned loads and can't wait to go back and share ideas with the rest of the staff.
- Inspiring and encouraging.
- Great, feel re-energised. Thank you very much.
- Again, excellent day well organised and very relevant.
- Food for thought - many ideas to take back to school.
- All very good, great chance to meet with colleagues from other parts of the country.
- It's highlighted to me that enterprise should be everywhere everyday.
- Thoroughly enjoyable day. Excellent guest speakers and gave highly motivational talks. Would have been good to see their workshops if time was available.
- I thoroughly enjoyed all speakers and workshops. Very motivating and it was inspiring to hear/see successes. Very relevant to my recent remit of Enterprise Co-ordinator in school.
- The session on Innovative Approaches to Enterprise Education was not what I expected it to be.
- The Katrine Water workshop was very interesting and got me thinking more long-term. Most of the speakers were very inspiring.
- Thanks to all involved in organising today - very slick!

Pupils from Woodlands Primary, North Ayrshire
