

## How to set a Google Alert for your name or image

If you have found abusive posts or images of yourself, you can set up a Google Alert to see if they have been shared anywhere else on the internet. Please only take these steps if it is safe to do so.

1. On <u>https://www.google.co.uk/alerts</u>, enter a search term associated with what you are trying to find. For example, your name, a nickname, or a description of the image.
