	Marks to Exam Board by mid-August 2023	Exam Board - early September 2023	Award ceremony early November 2023 (TBA)
Notes	The course is ONLINE ONLY and uses Strathclyde's Virtual Learning Environment which is called 'MyPlace'.		
M1	Methods of Professional Enquiry is a University requirement for those undertaking postgraduate study. As well as integrating aspects of the subjects above, this Unit provides practical skills in record keeping, analysis of evidence, and professional ethics, standards and practice. The Assessment is the Final Research Project, but each session has Assignments, which are milestones towards the Project.		
M2	There are seven tutorial topics, each of which has an Assignment. In addition, a learning log must be completed and submitted.		
M3	This module deals with the understanding, transcription and (occasionally) translation of important classes of older documents and other areas of genealogical research. These, and additional materials, will all be available from the session prior to submission date. There are five Études. The Area Étude could be a parish, registration district, street, village, etc, across time; the House/Building Étude could be an occupied building of any sort, across time, in any location chosen; the Migration Étude is an emigration/immigration study, chosen from Irish, U.S., Canada, British Empire, Australian, NZ, European, Jewish or other sources. The Client Family Étude involves finding a "client" for whom you will construct a professional Family Report. The others are set Document Études.		
Dates	The timetable is based on the standard academic year. The sessions (D1, D2, etc.) are one month apart, except for extra time built in for Christmas/New Year.		NOTE: Programme may be subject to change

The Year 3 of the part time MSc (the dissertation year) begins 07 October 2022 with the dissertation due 19 June 2023. There are interim submission dates for research proposals, drafts and reports. This year is 60 SCQF Level 11 credits (600 hours). See the separate timetables for the full time MSc and the modular versions of the PG Certificate and Diploma.
