

Features of OnAIR:

- Professional, branded landing page displaying an overview of the event agenda and your interactive ancillary elements
- Displayed to attendees in their local time zone.
- Pre-event guidance to ensure an efficient experience for your delegates
- Fully integrated database with your registration process and/or abstract submissions as required (separate charges would apply)

- Facility to stream pre-recorded content as live – securing a speaker who cannot attend live/has issues with connectivity
- Countdown timer and live pop up alerts keep the schedule running to time
- Handouts, eg slides or your own notes can be downloaded/exported from the sessions
- Sessions/posters/exhibitors can be favoured for attendees to streamline their experience.

Opportunities for attendee engagement throughout presentations:

- Live Q&A chat box
- Live Polling designed by the presenters
- Informal Attendee Discussion Forum

Networking options with 2 way video / audio

- Informal small group chats (randomly assigned)
- Larger pre-assigned group networking

Event analytics giving you the ability to review attendee engagement throughout the sessions/event.

The place of useful learning

The University of Strathclyde is a charitable body, registered in Scotland, number SC015263
