## Transferring Just Transition Principles to Industry Practice

### BUSINESS NEED

ScottishPower sought to update their initial Just Transition Strategy for relaunch in November 2022. They also sought to develop optimal Just Transition change across all areas of the business.

### PARTNERS INVOLVED

- SP: Robin Cathcart – Senior Corporate Affairs Manager, Hazel Gulliver – Director of Engagement

### THE SOLUTION

Strathclyde reviewed current international Just Transition Strategies and benchmarked these against Bray & Ford's POINTs Framework, highlighting areas of good practice and considerations for extending existing practice further. Together with SP partners we also held two workshops with SP staff to stimulate discussion on JT achievements to date by SP and further steps to be taken.

### BUSINESS BENEFITS

## Next step
