Reading list

Module leaders and experts teaching on the programme will release two weeks ahead of each seminar a list of required readings that each student will have to undertake in preparation for the discussions in class. In addition, a more extensive list of 'further readings' will also be provided for your own consideration and research.

You will find more details in the LLM Handbook and in the Module handbooks for each one of the modules (compulsory and electives) that you will be taking.

Compulsory Classes
