

# My Body Back

*A women's health partnership between Glasgow and Clyde Rape Crisis, West of Scotland Sexual Health Clinical Network and My Body Back*

Are you concerned about having a cervical smear test done?

If you are, you can now access a new service based at Sandyford clinic in Glasgow where women survivors of any kind of sexual violence, abuse or exploitation can have a smear test done, in their own time and at their own pace, by a team of women doctors and nurses.

The 'My Body Back' service is available one Saturday a month at Sandyford and is completely confidential. For further information and to make an

appointment at the clinic, click here:
