Course	Degree	Contextual Offer from S5	Contextual Offer from S6	Contextual Offer plus FOCUS West top-up
Accounting	BA (Hons)	AABB (including Maths or Applications of Maths @ A and English @ B)	AAABBB (including Maths or Applications of Maths @ A and English @ B)	AABBBB (including Maths or Applications of Maths @ A and English @ B); plus FOCUS West top-up @ BBB.
Aero-Mechanical Engineering	MEng	AABB (including Maths and Physics/Engineering Science).	AABB (including Maths and Physics/Engineering Science).	ABBB (including Maths and Physics/Engineering Science); plus FOCUS West top-up @ BBB.
Aero-Mechanical Engineering	BEng (Hons)	ABBB (including Maths and Physics/Engineering Science)	ABBB (including Maths and Physics/Engineering Science)	BBBB (including Maths and Physics/Engineering Science); plus FOCUS West top-up @ BBB.
Applied Chemistry & Chemical Engineering	MSci	AABB or AAAC (including Chemistry A, Maths A, Physics C). Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.	AABB or AAAC (including Chemistry A, Maths A, Physics C). Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.	ABBB (including Chemistry B, Maths A, Physics) plus FOCUS West top-up BBB. Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.
Architecture and Design	MArch	BBBB (including English plus Maths or Physics). A portfolio will be required if no art-based Higher).	BBBB (including English plus Maths or Physics). A portfolio will be required if no art-based Higher).	Top Up is valubale but still require BBBB including specific subjects
Biochemistry	MSci	AABB or AABCC (including Biology and Chemistry @ B).	AABB or AABCC (including Biology and Chemistry @ B).	ABBB or ABBCC (including Biology and Chemistry @ B); plus FOCUS West top-up @ BBB.
Biochemistry & Immunology	BSc (Hons)	ABBB or AABC (including Biology and Chemistry @ B).	ABBB or AABC (including Biology and Chemistry @ B).	BBBB or ABBC (including Biology and Chemistry @ B); plus FOCUS West top-up @ BBB.
Biochemistry & Microbiology	BSc (Hons)	ABBB or AABC (including Biology and Chemistry @ B).	ABBB or AABC (including Biology and Chemistry @ B).	BBBB or ABBC (including Biology and Chemistry @ B); plus FOCUS West top-up @ BBB.
Biochemistry & Pharmacology	BSc (Hons)	ABBB or AABC (including Biology and Chemistry @ B).	ABBB or AABC (including Biology and Chemistry @ B).	BBBB or ABBC (including Biology and Chemistry @ B); plus FOCUS West top-up @ BBB.
Biomedical Engineering	MEng	ABBB or BBBBB (including Maths and Physics/Engineering Science).	ABBB or BBBBB (including Maths and Physics/Engineering Science).	BBBB (including Maths and Physics/Engineering Science); plus FOCUS West top-up @ BBB.
Biomedical Engineering	BEng (Hons)	BBBB (including Maths and Physics/Engineering Science)	BBBB (including Maths and Physics/Engineering Science)	Top Up is valubale but still require BBBB including specific subjects
Biomedical Science	BSc (Hons)	AABB or AABCC (including Biology and Chemistry @ B).	AABB or AABCC (including Biology and Chemistry @ B).	ABBB or ABBC (including Biology and Chemistry @ B); plus FOCUS West top-up @ BBB.
Business (with Accounting)	BA (Hons)	AABB (including Maths or Applications of Maths @ A and English @ B)	AAABBB (including Maths or Applications of Maths @ A and English @ B)	AABBBB (including Maths or Applications of Maths @ A and English @ B); plus FOCUS West top-up @ BBB.
Business (without Accounting)	BA (Hons)	ABBB (Higher English at B and Nat5 Maths/Applications of Maths @ B)	AABBB (Higher English at B and Nat5 Maths/Applications of Maths @ B)	ABBBB (Higher English at B and Nat5 Maths/Applications of Maths @ B); plus FOCUS West top-up @ BBB.
Business Administration	BACHELOR (Honours)	N/A	ABB at Advanced Higher plus Higher English at B and National 5 Maths/Applications of Maths at B	N/A
Business Analysis & Technology	BA (Hons)	ABBB (Higher English at B and Nat5 Maths/Applications of Maths @ B)	AABBB (Higher English at B and Nat5 Maths/Applications of Maths @ B)	ABBBB (Higher English at B and Nat5 Maths/Applications of Maths @ B); plus FOCUS West top-up @ BBB.
Business Enterprise	BA (Hons)	ABBB (Higher English at B and Nat5 Maths/Applications of Maths @ B)	AABBB (Higher English at B and Nat5 Maths/Applications of Maths @ B)	ABBBB (Higher English at B and Nat5 Maths/Applications of Maths @ B); plus FOCUS West top-up @ BBB.
Business Law	BA (Hons)	ABBB (Higher English at B and Nat5 Maths/Applications of Maths @ B)	AABBB (Higher English at B and Nat5 Maths/Applications of Maths @ B)	ABBBB (Higher English at B and Nat5 Maths/Applications of Maths @ B); plus FOCUS West top-up @ BBB.
Chemical Engineering	MEng	ABBB or BBBBB (including Maths and Chemistry)	ABBB or BBBBB (including Maths and Chemistry)	BBBB (including Maths and Chemistry); plus FOCUS West top-up @ BBB.
Chemical Engineering	BEng (Hons)	BBBB (including Maths and Chemistry)	BBBB (including Maths and Chemistry)	Top Up is valubale but still require BBBB including specific subjects
Chemistry	BSc (Hons)/MChem	ABBC or BBBB (including Chemistry B, Maths B). Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.	ABBC or BBBB (including Chemistry B, Maths B). Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.	BBBC (including Chemistry B, Maths B) plus FOCUS West top-up BBB. Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.

Chemistry with Drug Discovery	BSc (Hons)/MChem	ABBC or BBBB (including Chemistry B, Maths B). Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.	ABBC or BBBB (including Chemistry B, Maths B). Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.	BBBC (including Chemistry B, Maths B) plus FOCUS West top-up BBB. Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.
Chemistry with Teaching	BSc (Hons)/MChem	ABBC or BBBB (including Chemistry B, Maths B, English C). Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.	ABBC or BBBB (including Chemistry B, Maths B, English C). Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.	BBBC (including Chemistry B, Maths B, English C) plus FOCUS West top-up BBB. Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.
Chemistry with Data Science	BSc (Hons)/MChem	ABBC or BBBB (including Chemistry B, Maths B). Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.	ABBC or BBBB (including Chemistry B, Maths B). Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.	BBBC (including Chemistry B, Maths B) plus FOCUS West top-up BBB. Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.
Civil & Environmental Engineering	MEng	ABBB or BBBBB (including Maths at A, OR Maths at B and Physics/Chemistry/Engineering Science/Biology)	ABBB or BBBBB (including Maths at A, OR Maths at B and Physics/Chemistry/Engineering Science/Biology)	BBBB (including Maths at A, OR Maths at B and Physics/Chemistry/Engineering Science/Biology) plus FOCUS West top-up @ BBB.
Civil & Environmental Engineering	BEng (Hons)	BBBB (including Maths at A, OR Maths at B and Physics/Chemistry/Engineering Science/Biology at B)	BBBB (including Maths at A, OR Maths at B and Physics/Chemistry/Engineering Science/Biology at B)	Top Up is valubale but still require BBBB including specific subjects
Civil Engineering	MEng	ABBB or BBBBB (including Maths at A, OR Maths at B and Physics/Chemistry/Engineering Science/Biology)	ABBB or BBBBB (including Maths at A, OR Maths at B and Physics/Chemistry/Engineering Science/Biology)	BBBB (including Maths at A, OR Maths at B and Physics/Chemistry/Engineering Science/Biology) plus FOCUS West top-up @ BBB.
Civil Engineering	BEng (Hons)	BBBB (including Maths at A, OR Maths at B and Physics/Chemistry/Engineering Science/Biology at B)	BBBB (including Maths at A, OR Maths at B and Physics/Chemistry/Engineering Science/Biology at B)	Top Up is valubale but still require BBBB including specific subjects
Computer & Electronic Systems	MEng	ABBB or BBBBB (including Maths and Physics/Engineering Science).	ABBB or BBBBB (including Maths and Physics/Engineering Science).	BBBB (including Maths and Physics/Engineering Science); plus FOCUS West top-up @ BBB.
Computer & Electronic Systems	BEng (Hons)	BBBB (including Maths and Physics/Engineering Science)	BBBB (including Maths and Physics/Engineering Science)	Top Up is valubale but still require BBBB including specific subjects
Computer & Electronic Systems with International Study	MEng	ABBB or BBBBB (including Maths and Physics/Engineering Science).	ABBB or BBBBB (including Maths and Physics/Engineering Science).	BBBB (including Maths and Physics/Engineering Science); plus FOCUS West top-up @ BBB.
Computer Science	BSc (Hons)	ABBB (including Maths @ B) or BBBBB (including Maths @ B). (Advanced Highers at B/C count as A/B in grade pattern.)	ABBB (including Maths @ B) or BBBBB (including Maths @ B). (Advanced Highers at B/C count as A/B in grade pattern.)	BBBB (including Maths @ B). (Advanced Highers at B/C count as A/B in grade pattern.); plus FOCUS West top-up @ BBB.
Computer Science	MEng	ABBBB or AABB (including Maths @ B). (Advanced Highers at B/C count as A/B in grade pattern.)	ABBBB or AABB (including Maths @ B). (Advanced Highers at B/C count as A/B in grade pattern.)	BBBBB or ABBB (including Maths @ B). (Advanced Highers at B/C count as A/B in grade pattern.); plus FOCUS West top-up @ BBB.
Creative Writing	BA (Hons)	AABB (including English at B plus at least one other social science subject from those listed on the website for your preferred subjects); plus National 5 Maths or Application or Maths at C.	AABBB (including English at B plus at least on other social science subject from those listed on the website for your preferred subjects); plus National 5 Maths or Application of Maths at C.	AABC (including English at B plus at least one other social science subject from those listed on the website for your preferred subjects); plus National 5 Maths or Application of Maths at C; plus Focus West Top Up at BBB.
Data Analytics	BSc (Hons)	BBBB (including Maths B and 70% in Strathclyde Summer School Mathematics) or ABBB (including Maths A).	BBBB (including Maths B and 70% in Strathclyde Summer School Mathematics) or ABBB (including Maths A).	BBBC (including Maths B and 70% in Strathclyde Summer School Mathematics) or ABBC (including Maths A); plus FOCUS West top-up @ BBB).
Economics	BA (Hons)	ABBB (Higher English at B and Nat5 Maths/Applications of Maths @ B)	AABBB (Higher English at B and Nat5 Maths/Applications of Maths @ B)	ABBBB (Higher English at B and Nat5 Maths/Applications of Maths @ B); plus FOCUS West top-up @ BBB.
Education	BA (Hons)	AABB (including English at B plus at least one other social science subject from those listed on the website for your preferred subjects); plus National 5 Maths or Application or Maths at C.	AABBB (including English at B plus at least on other social science subject from those listed on the website for your preferred subjects); plus National 5 Maths or Application of Maths at C.	AABC (including English at B plus at least one other social science subject from those listed on the website for your preferred subjects); plus National 5 Maths or Application of Maths at C; plus Focus West Top Up at BBB.
Electrical & Mechanical Engineering	MEng	ABBB or BBBBB (including Maths and Physics/Engineering Science).	ABBB or BBBBB (including Maths and Physics/Engineering Science).	BBBB (including Maths and Physics/Engineering Science); plus FOCUS West top-up @ BBB.
Electrical & Mechanical Engineering	BEng (Hons)	BBBB (including Maths and Physics/Engineering Science)	BBBB (including Maths and Physics/Engineering Science)	Top Up is valubale but still require BBBB including specific subjects

Electrical & Mechanical Engineering with International Study	MEng	ABBB or BBBBB (including Maths and Physics/Engineering Science).	ABBB or BBBBB (including Maths and Physics/Engineering Science).	BBBB (including Maths and Physics/Engineering Science); plus FOCUS West top-up @ BBB.
Electrical Energy Systems	MEng	ABBB or BBBBB (including Maths and Physics/Engineering Science).	ABBB or BBBBB (including Maths and Physics/Engineering Science).	BBBB (including Maths and Physics/Engineering Science); plus FOCUS West top-up @ BBB.
Electronic & Digital Systems	MEng	ABBB or BBBBB (including Maths and Physics/Engineering Science).	ABBB or BBBBB (including Maths and Physics/Engineering Science).	BBBB (including Maths and Physics/Engineering Science); plus FOCUS West top-up @ BBB.
Electronic & Electrical Engineering	MEng	ABBB or BBBBB (including Maths and Physics/Engineering Science).	ABBB or BBBBB (including Maths and Physics/Engineering Science).	BBBB (including Maths and Physics/Engineering Science); plus FOCUS West top-up @ BBB.
Electronic & Electrical Engineering	BEng (Hons)	BBBB (including Maths and Physics/Engineering Science)	BBBB (including Maths and Physics/Engineering Science)	Top Up is valubale but still require BBBB including specific subjects
Electronic & Electrical Engineering with Business Studies	MEng	ABBB or BBBBB (including Maths and Physics/Engineering Science).	ABBB or BBBBB (including Maths and Physics/Engineering Science).	BBBB (including Maths and Physics/Engineering Science); plus FOCUS West top-up @ BBB.
Electronic & Electrical Engineering with International Study	MEng	ABBB or BBBBB (including Maths and Physics/Engineering Science).	ABBB or BBBBB (including Maths and Physics/Engineering Science).	BBBB (including Maths and Physics/Engineering Science); plus FOCUS West top-up @ BBB.
Engineering Academy	BEng	BBCC (Maths at B and Physics/Engineering Science at B); Biology/Human Biology at B also required for progression to Biomedical Engineering. For Chemical Engineering, Physics is not required but Higher Maths at B and Higher Chemistry at B are required.	BBCC (Maths at B and Physics/Engineering Science at B); Biology/Human Biology at B also required for progression to Biomedical Engineering. For Chemical Engineering, Physics is not required but Higher Maths at B and Higher Chemistry at B are required.	BBCC (Maths at B and Physics/Engineering Science at B); Biology/Human Biology at B also required for progression to Biomedical Engineering. For Chemical Engineering, Physics is not required but Higher Maths at B and Higher Chemistry at B are required. FOCUS West top-up is valuable but we still require Maths and Physics at B.
English	BA (Hons)	AABB (including English at B plus at least one other social science subject from those listed on the website for your preferred subjects); plus National 5 Maths or Application or Maths at C.	AABBB (including English at B plus at least on other social science subject from those listed on the website for your preferred subjects); plus National 5 Maths or Application of Maths at C.	AABC (including English at B plus at least one other social science subject from those listed on the website for your preferred subjects); plus National 5 Maths or Application of Maths at C; plus Focus West Top Up at BBB.
Finance	BA (Hons)	ABBB (Higher English at B and Nat5 Maths/Applications of Maths @ B)	AABBB (Higher English at B and Nat5 Maths/Applications of Math @ B)	ABBBB (Higher English at B and Nat5 Maths/Applications of Math @ B); plus FOCUS West top-up @ BBB.
Forensic & Analytical Chemistry	BSc (Hons)/MChem	ABBC or BBBB (including Chemistry B, Maths B). Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.	ABBC or BBBB (including Chemistry B, Maths B). Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.	BBBC (including Chemistry B, Maths B) plus FOCUS West top-up BBB. Applicants with grades slightly below the minimum requirements may be considered for admission subject to successful completion of the Strathclyde STEM Summer School.
French	BA (Hons)	AABB (including English at B and modern language at B plus at least one other social science subject from those listed on the website for your preferred subjects); plus National 5 Maths or Application of Maths at C.	AABBB (including English at B and modern language at B plus at least on other social science subject from those listed on the website for your preferred subjects); plus National 5 Maths or Application of Maths at C.	AABC (including English at B and modern language at B plus at least one other social science subject from those listed on the website for your preferred subjects); plus National 5 Maths or Application of Maths at C; plus Focus West Top Up at BBB.
History	BA (Hons)	AABB (including English at B plus at least one other social science subject from those listed on the website for your preferred subjects); plus National 5 Maths or Application or Maths at C.	AABBB (including English at B plus at least on other social science subject from those listed on the website for your preferred subjects); plus National 5 Maths or Application of Maths at C.	AABC (including English at B plus at least one other social science subject from those listed on the website for your preferred subjects); plus National 5 Maths or Application of Maths at C; plus Focus West Top Up at BBB.
Hospitality & Tourism Management	BA (Hons)	ABBB (Higher English at B and Nat5 Maths/Applications of Maths @ B)	AABBB (Higher English at B and Nat5 Maths/Applications of Maths @ B)	ABBBB (Higher English at B and Nat5 Maths/Applications of Maths @ B); plus FOCUS West top-up @ BBB.
Human Resource Management	BA (Hons)	ABBB (Higher English at B and Nat5 Math/Applications of Maths @ B)	AABBB (Higher English at B and Nat5 Maths/Applications of Maths @ B)	ABBBB (Higher English at B and Nat5 Maths/Applications of Maths @ B); plus FOCUS West top-up @ BBB.
