<sup>1</sup> This list was decided upon in Q4 of 2016. We decided to view all SHEP schools (at time of list generation) as 'low progression'. In addition, schools in Scotland which are not part of SHEP but which, over the four year period from 2011 until 2014 had a median progression rate of 30% or less are viewed by Strathclyde as 'low progression'. The source data for 2011 until 2014 was supplied to us by the Scottish Government and related to the follow-up destinations of school leavers.
