FEEES GUIDE

2026-2027 ENTRY

This guide provides you with information on the University's fees for postgraduate study in 2026-27.

DISCLAIMER

This document may be subject to updates to maintain accuracy. Tuition fees will be notified in your offer letter. All fees are in £ sterling, unless otherwise stated, and may be subject to revision.

ANNUAL REVISION OF FEES

Students on programmes of study of more than one year should be aware that tuition fees are revised annually and may increase in subsequent years of study. Annual increases will generally reflect UK inflation rates and increases to programme delivery costs.

Many of the University's postgraduate programmes are subject to a standard fee. However, this is not always the case and exceptions to the standard postgraduate programme fees are included below by Faculty, along with part-time, modular and flexible learning fees.
