Fees Guide Postgraduate Study 2020-21

DISCLAIMER

This document may be subject to updates to maintain accuracy. Actual tuition fees will be notified in your offer letter.

All fees are in £ sterling and may be subject to revision.

ANNUAL REVISION OF FEES

Students on programmes of study of more than one year should be aware that tuition fees are revised annually and may increase in subsequent years of study. Annual increases will generally reflect UK inflation rates and increases to programme delivery costs.

Many of the University's postgraduate programmes are subject to a standard fee. However, this is not always the case and exceptions to the standard postgraduate programme fees are included below by Faculty, along with part-time, modular and flexible fees.
