

FEES

UNDERGRADUATE STUDY 2018-19

This guide provides you with information on the University's fees for undergraduate study in 2018-19

DISCLAIMER

Fees for students domiciled in Scotland and the EU are subject to confirmation by the Scottish Funding Council.

All fees are in £ sterling and may be subject to revision.

ANNUAL REVISION OF FEES

Students on programmes of study of more than one year should be aware that tuition fees are revised annually and may increase in subsequent years of study. Annual increases will generally reflect UK inflation rates and increases to course delivery costs.

Undergraduate Students Fees 2018-19

Domiciled in Scotland and the EU (not including England, Wales and Northern Ireland)

Full-time courses	£1,820
Compulsory work placement (12 months)	£910
Outgoing exchange	£1,820*

- * Scottish/EU undergraduate students undertaking an exchange for a semester/year will continue to pay their normal tuition fees at Strathclyde and will not be charged fees by the overseas institution

Domiciled in England, Wales, Northern Ireland, Isle of Man and the Channel Islands

Full-time courses*	£9,250
Compulsory work placement (12 months)**	£TBC
Outgoing exchange***	see note below

- * Assuming no change in Rest of UK fees policy over the period, the total amount payable by undergraduate students will be capped. For students commencing study in 2018/19, this is capped at £27,750 (with the exception of the MPharm and Integrated Masters courses); MPharm students pay £9,250 for each of the four years. Students studying on Integrated Masters degree programmes pay an additional £9,250 for the Masters year with the exception of those undertaking a full-year industrial placement where a separate placement fee will apply.
- ** All students on undergraduate Architecture programmes will pay the same fee rate as Scottish/EU students for the compulsory placement year (see first table).
- *** Students undertaking a year of study abroad will have their tuition fee arrangements ordered so that they do not pay tuition for the year that they are abroad. Students on Integrated Masters courses who choose to undertake a second period of study abroad may be required to pay the regular tuition fee for this.
