

TIC Cleanroom Access Pricing (Industrial Rates)

Effective for new access from August 2020

- All prices are GBP per hour, exclude VAT applicable for non-academic users, and apply to standard (ie. proven) processes only.
- The University's standard Terms and Conditions for services apply, and can be found at https://www.strath.ac.uk/media/ps/rkes/UoS_Standard_Ts_and-Cs_for_Services_for_attaching_to_invoices_Final_Version.pdf

Category	Item	Industrial serviced (GBP)	Industrial hands-on (GBP)
Lithography and wet processing	Optical lithography suite, including aligner and spinners	350	200 ¹
	Individual wetbench only	190	40
Inspection and metrology	Microscopes and Dektak only	190	40
	White light reflectometer	190	40
	Hitachi SEM	340	140
	Alpha-Step stylus profiler	190	40
	Veeco optical profiler	190	40
Dry etch	SPTS ICP1	400	250
	SPTS ICP2	400	250
	Oxford RIE1	400	250
	Oxford RIE2	400	250
	Matrix	400	250
Deposition	Oxford PE-CVD	400	250
	CVC sputter	POA ²	POA ²
	Parylene coater	250	100
Test and assembly	K&S wedge wirebonder	190	40
	Wentworth probe station	190	40
Miscellaneous	Diener plasma asher	166	16
	Jipelec RTA	250	100
	Yearly lab member fee ³	N/A	1500

Notes:

¹Ulab bookings currently allow two persons working together in rotation.

²POA = price on application, as pricing must reflect recovery of gold metal costs where relevant.

³Pricing applies per person, and includes enrolment as a Visiting Researcher. This model is appropriate for users seeking regular access, and training on multiple systems. Other arrangements are possible by negotiation.
