

Genealogical Studies Core Reading List – 2025-26

The following is not a required book but may be of interest:

Hoult, Elizabeth. (2006) *Learning support: a guide for mature students*. London: SAGE. ISBN: 1412902959.
(Free online access at the Uni library.)

There will be additional specific reading with each lecture or session, but the following books are absolutely required (unless noted otherwise). The ISBN is added here only to facilitate the purchase of the books. Some of the books are available freely online via the University Library's online catalogue to registered students. <https://www.strath.ac.uk/professionalservices/library/>
