

## **Directions to Venue**

### **From Glasgow Airport**

The airport bus, the Glasgow Flyer (no.500) leaves every 10 minutes from the front of the airport (stance 1). (It is a small airport so you should have no trouble finding the stop). Tickets can be bought on the bus for £14.00 return or £8.50 for a single journey. Get off at Queen Street Station: the driver normally shouts out the stops and Queen Street is the stop which comes after Central Station. This stop is on the Strathclyde map and is a 10 minute stroll to the campus.

To return to the airport, there are bus stops on North Hanover Street or on the south side of George Square. You can also go to Buchanan Street Bus Station where the bus departs from.

We have arranged an offer with Glasgow Taxis during period 24<sup>th</sup> August – 2<sup>nd</sup> September. If you book a taxi with them using their app which you can download from Android and Apple play stores the fixed price from Glasgow Airport to City Centre will be £18.00 and the reverse trip will be £21.00. This is only available when using the app and discount code EFT1.

### **From Prestwick Airport**

The airport has a train station, with frequent services to Glasgow Central Station. See airport website ([www.glasgowprestwick.com](http://www.glasgowprestwick.com))

### **From Central Station**

Trains from English destinations arrive here. It is about 10-15 minute walk to the campus. Or you can get a taxi (£3-£4). If you walk, turn right out of the station front entrance and keep going straight ahead until you cross over Buchanan Street and reach Exchange Square. Go the left around the church, now an art gallery and then if you turn left you will reach George Square. Diagonally across the middle is quickest and then you can see where you are on the Strathclyde map.

### **From Queen Street Station**

Trains from Scottish destinations arrive here. Queen Street is show on the campus map.
