My Life, My Choice?
How research makes an impact in Malawi

Dr. Tracy Morse
Scotland Chikwawa
Health Initiative
Where on earth is Malawi?
What are Strathclyde doing there?

- Primary Education
- Making Wonders
- Health
- Water and Sanitation
- Renewable Energy
- Humanitarian support
Scotland
Chikwawa
Health Initiative

Determinants of health (Dahlgren & Whitehead, 1991).
Community dialogue and understanding priorities
Problems facing youth

- Traditional initiation ceremonies,
- Early marriage and pregnancy,
- Access to education,
- Child protection,
- Access to recreation,
- Lack of employment opportunities
