Health

Do not enter the building if you are unwell or have a high temperature.

Leave the premises if you have any COVID-19 symptoms, and inform your line manager.

Hygiene

The University has installed sanitation stations throughout our buildings. To maintain good hygiene, it’s important that you clean your hands frequently, especially:

- After using the toilet;
- Before and after eating
- After touching frequently used touchpoints.

Follow good hygiene etiquette when coughing or sneezing.
Avoid touching your face, mouth and eyes with your hands.

Health and Safety Induction Information for Contractors Working in University Buildings

Physical Distancing

Be mindful of other people’s space when moving around University buildings.

We are participating in the Distance Aware Scheme, which has been designed to help those worried about mixing with others as we adapt to living with COVID-19.
