

CONNECTING YOUR IPHONE OR IPAD TO WIFI FOR THE FIRST TIME

These instructions are for connecting your iPhone or iPad to the eduroam wifi for the first time. Once you configure your device to connect to eduroam, you will connect automatically afterwards. By configuring your device, you will not only be able to ensure your iPhone/iPad connects to eduroam here at Strathclyde, but this will ensure your device will be configured to connect to eduroam on any campus you travel to.
