6. Enter your details, then scroll down.

#### sky wifi roaming service

You can use the Sky WiFi Roaming service according to Sky WiFi's terms.

Sky WiFi Roaming allows your device to be recognised automatically when connecting at other venue owner locations who will be given access to your personal data.

The Sky WiFi Roaming Service will be provided to you in accordance with our Terms and Conditions below.

Your account information will be collected by Sky WiFi for the purposes set out in our Privacy Notice below.

Sky WiFi (and our advertising partners) may use your account and usage information to provide you with tailored advertising, including by using cookies. If you'd like more information or to change this please see Sky Advertising Choices below.

To use the Sky WiFi Roaming Service please accept the Terms and Conditions below.
