

Downloading and Installing Office 365 ProPlus on iOS

You can download Office 365 ProPlus from your email account. The following instructions show the steps for downloading and installing on an iPhone or iPad. Different versions of iOS may vary slightly in layout but the process will remain the same.

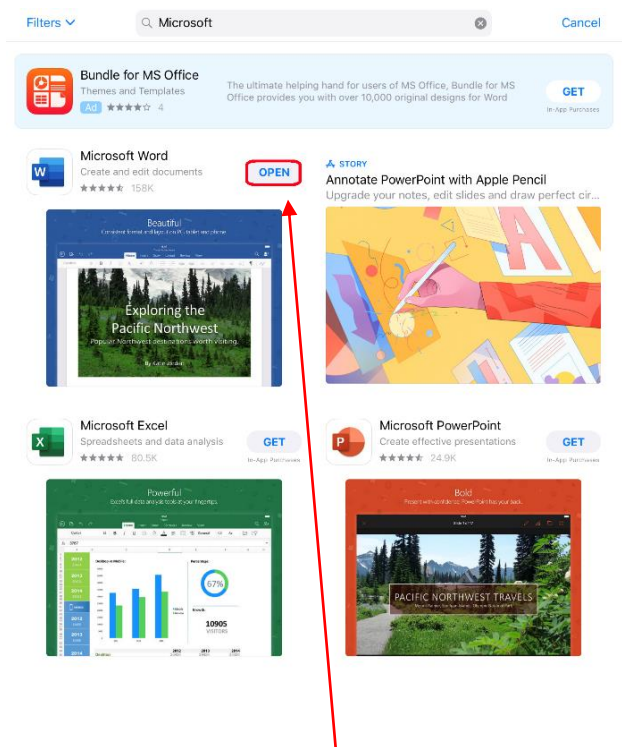

1. Select App Store, then search for Microsoft.

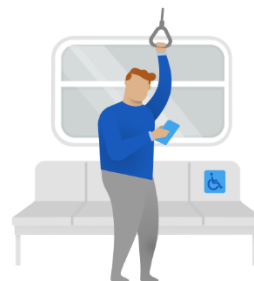

2. On the Microsoft apps, select Get.

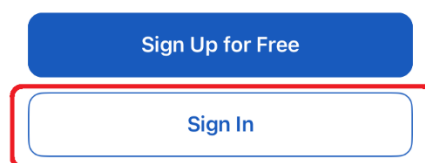

University of
Strathclyde
Glasgow

3. Once the download is complete, select Open.

Use Word on the Go

4. Select Sign In.
