

Downloading and Installing Office 365 ProPlus on iOS

You can download Office 365 ProPlus from your email account. The following instructions show the steps for downloading and installing on an iPhone or iPad. Different versions of iOS may vary slightly in layout, but the process will remain the same.

1. Select App Store, then search for Microsoft.

2. Select the download icon on the app you want use.

3. Once the download is complete, select **Open**.

4. Select **Existing Microsoft 365 Users? Sign In**.
