## POSTGRADUATE STUDY 2016-17

This guide provides you with information on the University's fees for postgraduate study in 2016-17

## **DISCLAIMER**

This document may be subject to updates to maintain accuracy. Actual tuition fees will be notified in your offer letter.

All fees are in £ sterling and may be subject to revision.

## **ANNUAL REVISION OF FEES**

Students on programmes of study of more than one year should be aware that tuition fees are revised annually and may increase in subsequent years of study. Annual increases will generally reflect UK inflation rates and increases to course delivery costs.

Many of the University's postgraduate courses are subject to a standard fee. However, this is not always the case and exceptions to standard fees are included, along with part-time, modular and flexible fees.
