

Accelerate 2026

Privacy Notice

Introduction

The University of Strathclyde is the data controller for personal data we hold about you.

What personal information we collect and use

We will use the information you provide to determine whether you will be offered a funded place on the University of Strathclyde Accelerate Summer Programme.

Your data

The University will not share the personal data you provide to us with third parties. We store your information securely on University servers hosted in the UK, in accordance with applicable data protection legislation. Your information will not be used/shared for marketing purposes.

How long will we retain your data for?

The University of Strathclyde will retain your personal data for one year for the purpose described above.

Your rights

You have the right to:

- request a copy of the personal information about you that we hold.
- ask us to delete inaccurate information.
- in some cases, you may ask us to restrict how we use your personal information.
- withdraw consent for the use of your data

If you wish to exercise any of these rights, please contact: dataprotection@strath.ac.uk

Complaints

We seek to resolve directly all complaints about how we handle personal information, but you also have the right to lodge a complaint with the Information Commissioner's Office <https://ico.org.uk/concerns/>.
