Benefits

- 3 year licence with fixed pricing
- Full range of Maplesoft products and add ons
- Remote access with student distribution extension
- Price banding based on institution size replaces single site

licence fee

Eligible Institutions

This Agreement is available to Institutions of Higher and Further Education in the UK and Research Councils in the United Kingdom, and to Higher and Further Education Institutions (Third Level Colleges) in the Republic of Ireland.

Background Information

MapleSoft were offering a site licence to institutions but with no banding (the same fee regardless of the size of the institution). This site licence did not allow for remote access. The community expressed an interest for Eduserv to negotiate an Agreement which takes into account size of institutions and which provides provision for remote access.

Prices exclude VAT.

Eduserv fee is £250 plus VAT per annum (no banding).

Licences commence for 3 years from the date of countersignature of the licence by Adept.

Pricing is fixed for three years of a site's licence - however pricing under the contract is subject to annual review. Any increases to be notified to Eduserv by the last working day of the "tenth month" of the Agreement year. Costs may rise by no more than the then current annual RCI as published by the Office for National Statistics.

Price banding in the UK is based on JISC bands: http://www.jisc-collections.ac.uk/jisc_banding.aspx :

Large: JISC bands A-C and all Research Councils
Medium: JISC bands D-F
Small: JISC bands G-H
Very Small: JISC bands I-J

Third level colleges in the Republic of Ireland have been placed in similar bands based on their full time equivalent student numbers. See: [Ireland Price Bands](#)

Payment Terms
